

MARQUETTE ACADEMY

Academic Excellence in a Catholic Community

Dear Parents:

Since the stability of our school and the quality of its programs are the utmost importance, we are always seeking ways to make improvements to benefit everyone. After much research and investigation, we have partnered with FACTS Management Company to help us manage our tuition payment program and financial aid assessments. FACTS are used by many schools locally and over 6,500 schools nationally. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

One of our primary goals this year at Marquette Academy is to concentrate our efforts on improving the business side of our school. By taking advantage of the security and convenience of payment processing and information technology offered by FACTS, we remain committed to this goal.

You will realize these benefits by using FACTS for your tuition payment plan:

1. **Payments Dates:** You may choose either the 5th or 20th of each month or both as your payment date. Automatic payments can be made from a checking or savings account or from a variety of credit cards, if applicable.
2. **Enrolling in FACTS:** You will receive an invite from FACTS with information necessary to enroll. Included in the invite will be the website you will need to access.
3. **Convenience & Security:** Along with multiple payment plan options, your payments are processed securely through a bank to bank transaction.
4. **Peace of Mind Insurance:** FACTS offers this optional benefit for only \$17.00 per year per family. In the event of death of the responsible party or spouse, the remaining tuition balance owed for the current school year is paid to the school.
5. **Consumer Account:** You may check your personal account or make payments online from the convenience of your home or office anytime.

One of the universal challenges in education is achieving a balance between our educational mission and financial stability. It is precisely for this reason we are enlisting the help of the FACTS Management Company. With FACTS, the school maintains decision-making control. As always, we will continue to work with families should special circumstances or “hardship” cases arise during the school year.

Marquette Academy will be utilizing FACTS which has been approved by the Peoria Diocese. NO PAYMENTS WILL COME THROUGH THE SCHOOL. If need to the School will accept cash and check on behalf of FACTs. Your account will roll over for this new school year.

This web site will record how you want to pay for your yearly tuition. There will be several options: ACH, Credit Card and Invoice payment plans. There are several dates to make payments which we utilize now; 5th of the month or the 20th of the month or both dates. Options to pay in full, 2 payments plan July/Jan and a 10 month payment plan beginning in August and ending in May. If you choose the invoice payment plan an invoice will be emailed to you and the payment is made directly to FACTS Management Company P.O. Box 2597 Omaha, Nebraska. If you have any questions please feel free to call FACTS customer Service representative, myself, Lisa Tenut or Mary Roberson.

Thank you for your continued loyalty and support for Marquette Academy. We depend on your support and cooperation as we continue in our mission of providing the highest quality Catholic Education for our students.

Sincerely,

Brooke Rick
