

Who We Are

Marquette Academy is a Pre-K-12 Roman Catholic learning community that promotes spiritual, academic, social, emotional and physical growth. Marquette Academy develops critical thinking skills, a lifelong love of learning, and prepares students to enter an increasingly interconnected society.

Traditions are embraced.

Dedication is the norm.

Excellence is the expectation.

We are more than a school . . .

We Are Marquette!

MARQUETTE ACADEMY

The MARquette Difference

When you send your child to Marquette Academy, you become part of an exceptional tradition of education and spirituality. We pride ourselves on educating the WHOLE person through spiritual, academic, social, emotional and physical formation.

MARQUETTE = family

MA is Exceptional Academics

Marquette Academy students consistently test above the National and State averages at every grade level – and the school as a whole continues to test above all local, state, and national school averages. Additionally, Marquette Academy offers accelerated learning programs for its elementary students, and dual college courses for its high school students.

- GS - median ITBS (Iowa Test of basic skills) consistently score above national and diocesan scores in all areas.
- STEM Program implemented at all levels.

Marquette Academy 3 year old preschool has a choice of 2, 3 or 5 day a week programs. Students focus on age appropriate learning and motor skills. Through a caring and structured environment our three year old students are introduced to a positive Catholic education.

Our 4 year old program runs 5 days a week and is a half day “Traditional Preschool” program. Students mornings are filled with educational activities as well as structured learning in a classroom setting.

Marquette Academy offers Power Preschool. This is a five day a week full day program for 4 year old students. This program includes morning classes similar to our traditional program as well as lunch time and a rest period. Our Power Preschoolers afternoon sessions are filled with exploratory classes such as physical education, music, dance, art, and Spanish.

MA is Student Involvement

Organizations

GS - Robotics, Academic Team, Student Council, Book Club, Noisy Knights

Athletics

GS - Cross Country, Softball, Baseball, Basketball, Volleyball, Cheer

MA is Individual Attention

We offer a 10:1 student/teacher ratio – Marquette Academy provides exceptional educational opportunities with smaller class sizes and a motivated teaching staff that cares about each individual student. This increases students’ time on tasks, and gives teachers the chance to tailor their instruction to meet students’ needs.

All faculty and students (PK-12) receive Google Classroom training. Establishment of the STEM program with purchase of materials for implementation teaches our students problem solving, analytical thinking, and the ability to work independently.

MA is Religious Education

Marquette Academy accepts students of every race, ethnicity and religion. In fact, nearly 1/3 of our students are non-Catholic and come from a variety of religious denominations. Marquette Academy focuses on the teachings of the Catholic Church while emphasizing Christian morals and values that you teach at home.
