The Marquette Society was formed in the fall of 2003. The following Clubs were established, and donors were invited to join the Society to become a member of one of the Clubs. Over the years, many have climbed the ladder and many more have joined the society. There are presently approximately 300 members in the Marquette Society. The goal is to double the membership. The 2014-2015 Annual Gift Fund Appeal raised just short of $85,000.00. Time and time again, Marquette has been blessed with alumni, parents and friends who realize that the advancement of the school depends not only on the vision of the current administration, but also on those benefactors who provide support. Thank you for your continued prayers and financial support.

1000 Paul Street Club ($10,000 and over)
Marquette has changed thousands of lives over its 156 year history. The first structure was a frame building situated at Washington and Paul Streets. The historic address is used to name this level to recognize those farsighted individuals who have committed to the vision of Marquette far into the future.

Living Donor Wall

Notes:
The placement on the wall is determined by cumulative lifetime giving.

Benefactor of Highest Distinction  over $50,000
Benefactor of Distinction  25,000-49,999
Benefactor of Honor  10,000-24,999
Benefactor of Merit  5,000-9,999
Benefactor of Support  1,000-4,999

• Giving includes any type of monetary contribution, bequest, scholarship, endowment, tribute gift, annual fund gift or gift-in-kind. Payment of tuition directed for any particular student does not qualify as a donation. Gifts to MMM, The Century Club or the Go Club do not qualify.

Note: Endowment contributions to the Class are grouped by the Class. The contribution does not receive individual recognition on the Wall.

• If a group of individuals make tributes to an individual totaling $1,000 or more, the family has the option of placing a plaque on the wall stating “In memory of”, “In honor of” etc. The deceased individual may have already been a qualified donor in their lifetime. For that reason, you might see a name on the board twice.

In most instances, the donor has chosen how their name should be displayed on the Wall. Some choose to have the nameplate say “In memory of”, or “The Family of” etc. If they choose this option, they cannot have their individual name put on also. It must be one or the other.

• The Wall was started circa 1992. The records that were kept at that time were on an Apple PC with discs that can no longer be read. In 2010, the printed information from those discs was transferred to the Results Plus donor tracking system that is now in use. The Results Plus tracking has been used since 1994. A small number of donors were placed on the Wall in the very beginning before any automated donor records were kept. Those financial records have been destroyed.

• The Wall was last updated in June 2015 using records from year-end 6/30/15.
The placement on the wall is determined by cumulative lifetime giving.
