

Go Club Fundraiser

Marquette Academy

Friday, July 16 | 1 p.m.

OSF HealthCare has partnered with your school to offer a unique fundraising opportunity for your Go Club! For every athlete who participates in the \$25 sports physical clinic hosted at Marquette Academy, OSF HealthCare will donate 100% of proceeds back to benefit the Crusaders!

Students can complete their sports physical for the 2021-22 school year during this special on-site event. Appointments are required! To reserve your spot please call (815) 433-0125.

PLEASE BRING:

- \$25 cash or check, payable to OSF HealthCare (financial assistance is also available)
- Completed consent and IHSA forms attached to this document

Note: We will be unable to provide a Sports Physical at this event to anyone that has been diagnosed with or suspected of having COVID-19 within the last 6 months. Our recommendation is to schedule an appointment with your Primary Care Physician for this year's sports physical. If currently do not have a Primary Care Physician, you can call (815) 433-1010 to establish one today.

A sports physical does not meet the requirement for an incoming freshman's school physical. Parents should contact their child's primary care doctor or pediatrician to schedule a school physical, as immunization records are required.

MEDICAL ELIGIBILITY FORM

Name: _____ Date of birth: _____

- Medically eligible for all sports without restriction
- Medically eligible for all sports without restriction with recommendations for further evaluation or treatment of

- Medically eligible for certain sports

- Not medically eligible pending further evaluation
- Not medically eligible for any sports

Recommendations: _____

I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).
