

SAVE ON TUITION!

RaiseRight™

Simply the right way to fundraise

Whether your child is in PreSchool or High School, you can **offset your tuition costs by using RaiseRight** - formerly known as Shop with SCRIP.

It's so simple and saves you money on your tuition!

Use the SCRIP cards as you would a credit card for gas, groceries, gifts, etc., and 70% of the rebate credit that is received from your purchase is applied to your own, or to the tuition account for any family that you choose. (That means, grandparents or family can use SCRIP and also apply it to your child's tuition.) The other 30% stays with Marquette for general financial aid to students.

Contact Diane Whalen to sign up today!
