

MAke us Your Place.

www.marquetteacademy.net

We want you to join the
Marquette Family, because
we are more than a school...

We ARE Marquette!

Establishment of the STEM program with the purchase of materials for implementation gives our students the key skills needed in today's workplace: problem solving, analytical thinking, and the ability to work independently. Google Classroom helps facilitate learning because technology is continuously expanding into every aspect of our lives, and our students are ahead of the game.

We offer a 10:1 Student to Teacher ratio Academy wide.

The class of 2017
earned over
\$1.3 million
in college
scholarship awards.

MAHS offers Dual Credit, IAI and The Running Start Program in which students can earn an Associate Degree.

HS students are required to complete 120 hours of Christian based service for graduation. Our students continually exceed this required amount.

Our students completed over 17,000 hours of community service last year.

We have a 100% graduation rate.

We have a 99% college bound seniors and 1% Military bound seniors.

Over 70% of our upperclassmen are currently taking college classes.

We have an environment
which is moral and value
based in a society that needs
it now more than ever.

Currently every student at MAHS is involved in extracurricular activities, clubs and/or organizations.

These include: Football, Volleyball, Cross Country, Golf, Cheerleading, Poms, Basketball, Wrestling, Baseball, Softball, Track, Ambassador's Club, ProLife, Order of the M, Fine Arts Club, Key Club, Student Council, Scholastic Bowl, WYSE, NHS, Band, Choir, Drama Department, Crazy Cru, Creative Writing, Yearbook, Student Athletic Trainers
