

Bus/Student Pick-Up Procedure

Bussed students will always be dismissed first.

(Monday, Wednesday, Thursday, & Friday at 2:30pm and Tuesday at 2:00pm)

Prior to busses leaving the premises of the school, nobody should park in the Bus/Pick-up Lane (orange) or the No Parking (red/gray) areas.

Please note,

Parking is limited and students who are non-bus riders will be dismissed 5-10 minutes after the bussed students.

To avoid congestion, we encourage all parents to try to arrive after the busses have left.

If you do arrive prior to 2:35pm (or 2:05 on Tuesday), parking is available in the Parking Allowed (green) areas only.

Note: the gate on Columbus Street (east side) will be open. Cones will be placed to block off No Parking (red/gray) areas.

Once the Busses have left, the cones will be removed to allow you to move freely.

At no point should the Bus/Pick-up Lane (orange) be used for parking. If you need to wait for your child(ren), please pull into the Parking Allowed (green) areas. Note: the No Parking 2 (gray) area will become available for parking after all the busses have left and the cones have been removed.

Thank you for your cooperation and help in keeping all our students safe as we dismiss from school.
