

MARQUETTE IS FAMILY

MARQUETTE SOCIETY ANNUAL GIFT FUND APPEAL 2024

Pre K-12 Catholic School

Family, broadly and inclusively defined, is the foundation for individual and community health, well-being and prosperity. It is those who care about you and want to see you grow and succeed. It understands each other's values and concerns. Family accepts you as the person that you are and helps you to make good decisions. It is who you can laugh, play, pray and learn with, and who you can face the challenges of life with and share the rewards. Family makes you feel safe and secure. The closeness is never determined by distance or time.

When people are asked what their association with Marquette has meant or means to them, the answer is almost always "the feeling of family".

Families support each other so that together as a whole they can flourish and prosper. As a member of the Marquette family, your support is needed so we can do just that. Our prosperity relies on prayer and

monetary donations from all of our family. We are asking that you become or remain a member of the Marquette Society with your contribution. Please share what you can. Our promise is to continue with our mission to cooperate with parents to educate and form joyful disciples of Jesus Christ.

We are family. WE ARE MARQUETTE!
