MA is Individual Attention

We offer a 10:1 student/teacher ratio – Marquette Academy provides exceptional educational opportunities with smaller class sizes and a motivated teaching staff that cares about each individual student.

Establishment of the STEM program with the purchase of materials for implementation gives our students the key skills needed in today's workplace: problem solving, analytical thinking, and the ability to work independently. Google Classroom helps facilitate learning because technology is continuously expanding into every aspect of our lives, and our students are ahead of the game.

MA is Religious Education

Marquette Academy accepts students of every race, ethnicity and religion. In fact, nearly 1/3 of our students are non-Catholic and come from a variety of religious denominations. Marquette Academy focuses on the teachings of the Catholic Church while emphasizing Christian morals and values that you teach at home.
