

MARQUETTE ACADEMY

Academic Excellence in a Catholic Community

July 18, 2023

The start of the school year is upon us! Soon, the Marquette Family will be gathering at Gould Stadium and Bader Gymnasium to support our Crusaders and Lady Crusaders.

The Marquette Century Club is an organization that gives its financial support to the high school level teams as well as two senior scholarships each year. This is achieved through dues collected from the members of the Century Club and donations to the scholarships program.

Marquette Century Club dues are \$75.00 per person per year. The dues are payable now to meet our goal of continued support of our Crusaders and Lady Crusaders. Membership in the Century Club offers preferred and reserved seating to all home football, basketball and volleyball games at the high school level (excluding playoff and tournament games). You can save money and it is convenient to pay just once a year for all Marquette home games at the freshmen, sophomore and varsity levels. New members are always welcome and we encourage you to ask a friend of Marquette to become a member of the Century Club. Your contribution to this worthwhile endeavor is greatly appreciated.

The Century Club awards two \$500.00 scholarships to Marquette Academy seniors whose parents are members of the Century Club. These scholarships are awarded to students exhibiting high qualities of sportsmanship and a sense of fair play during their participation in two sports at Marquette. This past year the Century Club was able to award three additional scholarships to a Marquette freshman, sophomore and a junior. In addition, the Century Club makes a substantial donation to the Marquette Go Club to help fund the athletic programs. These scholarships are made possible through donations of the Century Club. We welcome all donations to this fund.

Please make your check payable to the Marquette Century Club and mail to:
